True Love Family

One World Family

“The Family is the School of Love”

God gave us our family so that we can learn to love correctly.

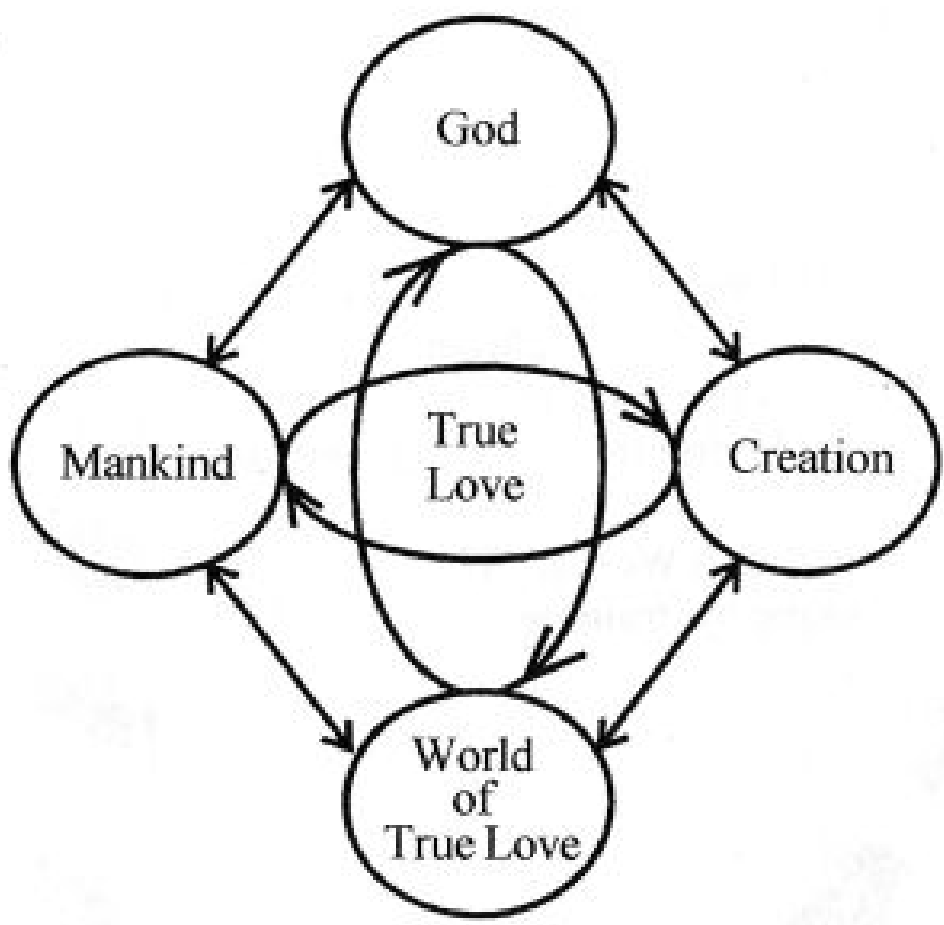

1. Parents give God’s love to their children.
2. Children practice giving love to God by loving their parents.
3. Children learn to love others people By loving their brothers and sisters.

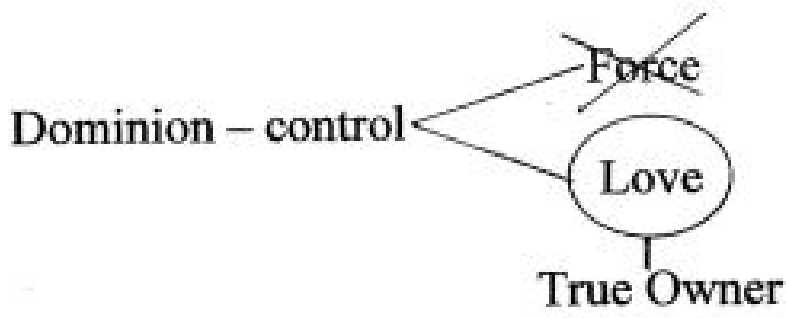

Father’s Words: “The family is the place for training our hearts.”

The Third Blessing

Dominion

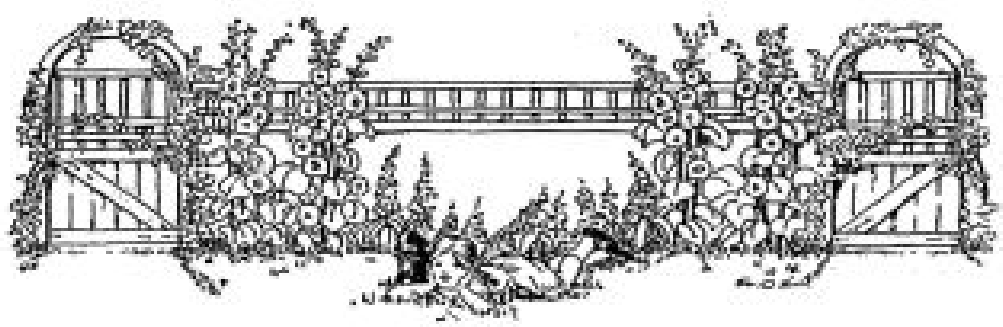

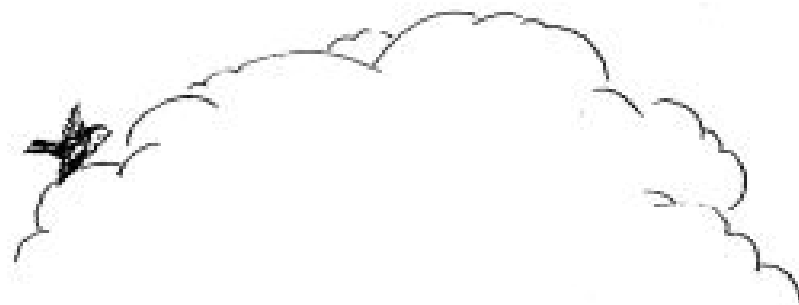

God created the world for his children.

A true owner loves the creation.

Father's Words: "God made the creation out of love for me. He made it as the textbook for showing me the path of love. Therefore, I have to learn to love all animals, all things of creation."

The fulfillment of the Three Blessings is the fulfillment of the Kingdom of Heaven.

Father's Words: "We were to enjoy the heavenly life here on this earth and, after our physical life, we were to go to the spirit world to live in heaven eternally. This was the original blueprint of God."

Adam and Eve, the First Parents

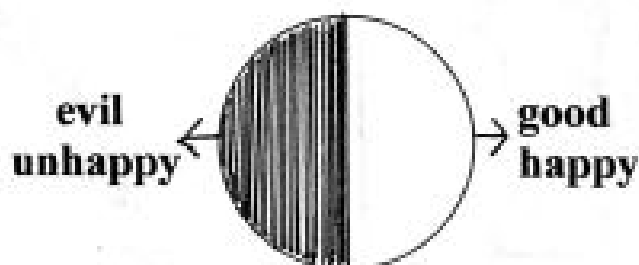

God's Ideal: • Kingdom of Heaven on Earth

• World of True Love

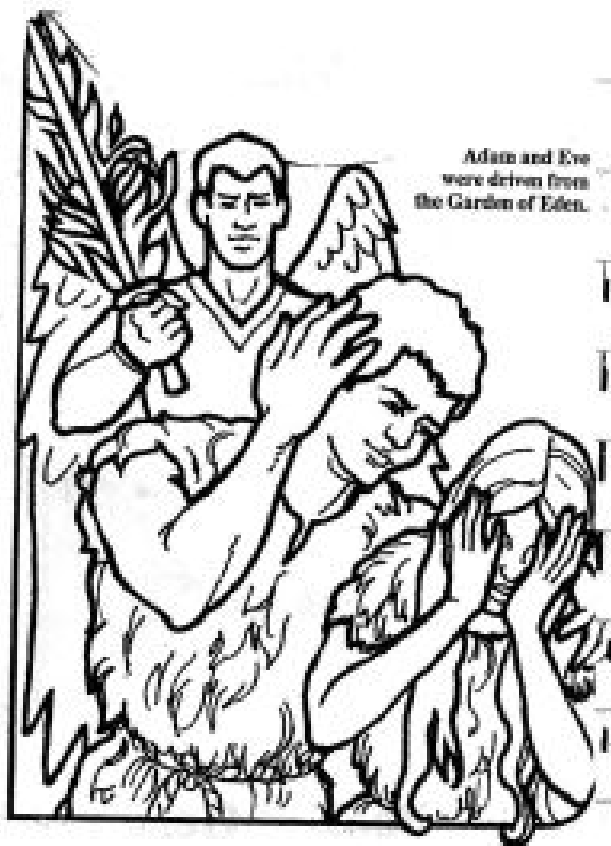

Where did evil come from?

Why do people suffer?

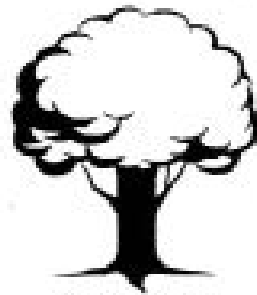

Why is it so hard to be good?

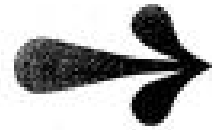

Book of Genesis – “The Fall of Man”

Adam and Eve
were driven from
the Garden of Eden.

The "serpent" was the archangel, Lucifer,
who is called Satan or the devil.

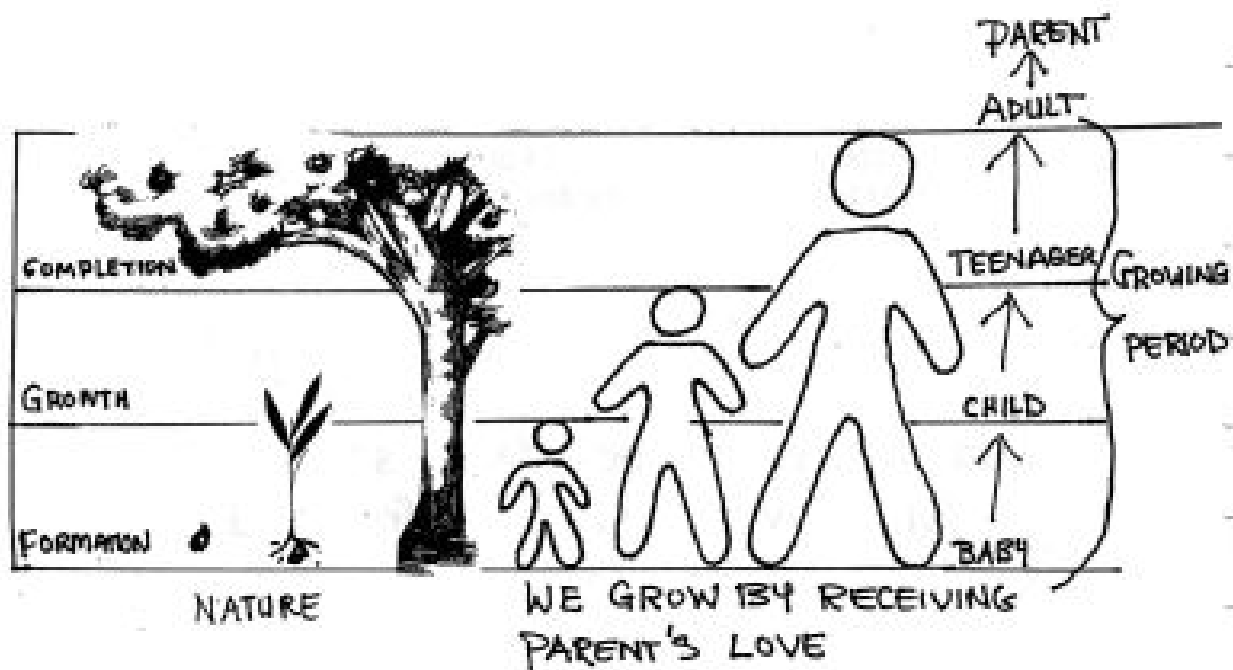

Lucifer

Adam and Eve disobeyed God's word.
They fell away from God, and followed
Satan.

Adam and Eve were God's children. God was expecting them to grow up and get Blessed and become the True Parents of mankind.

How do we Grow? – The Growing Period

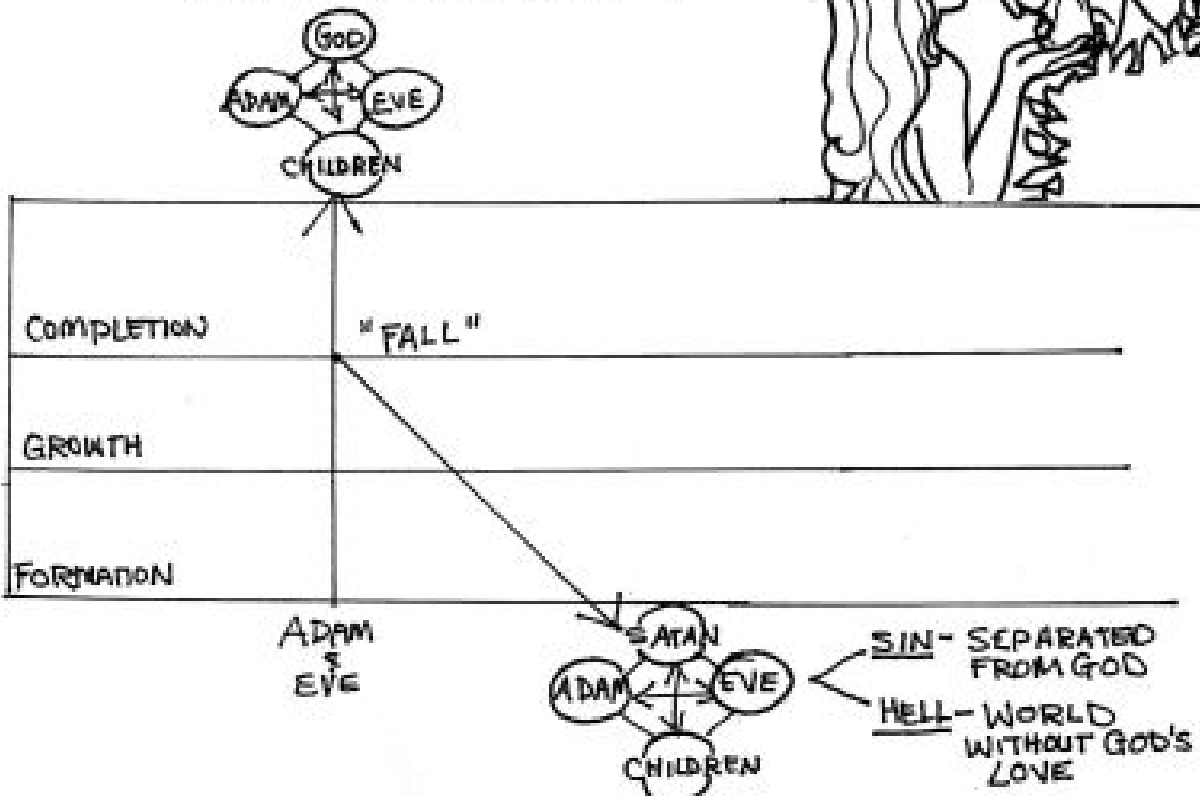

All things in creation must take time to grow.

Our Parents give us food so our bodies can grow. They also give us spiritual food, "the word", so our spirits can grow, and to keep us safe.

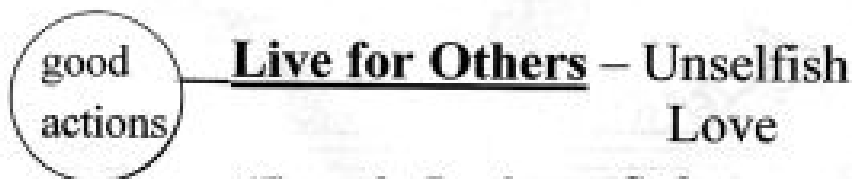

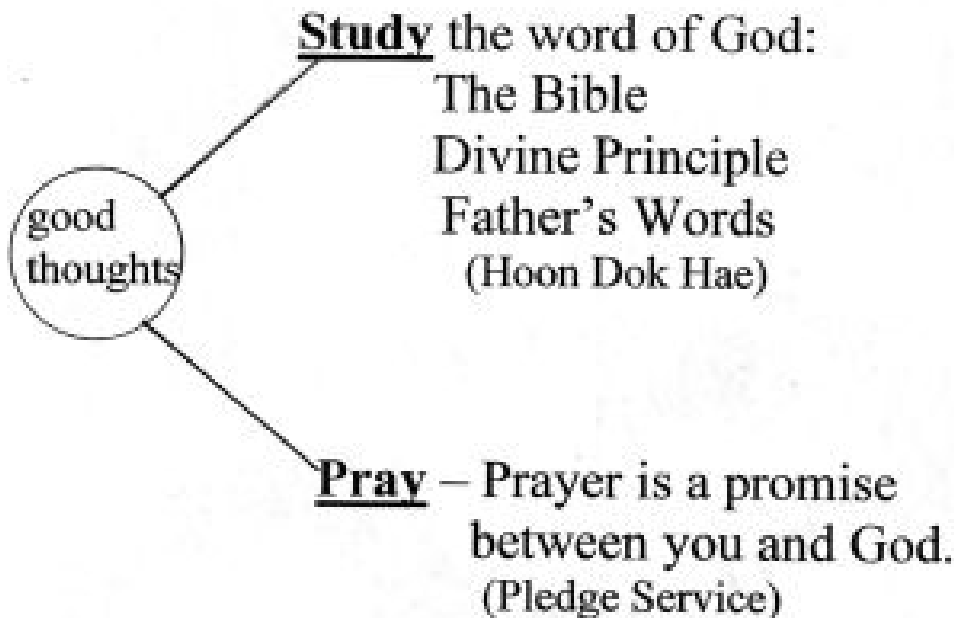

God's Word to Adam and Eve –

"Do not eat, You will die!"

If we are separated from God, our spirit dies.

Good Things That We Can Do To Connect To God:

**“Love the Lord your God
with all your heart and with all your soul
and with all your mind...And love your
neighbor as yourself.”**

- Matthew 22:37

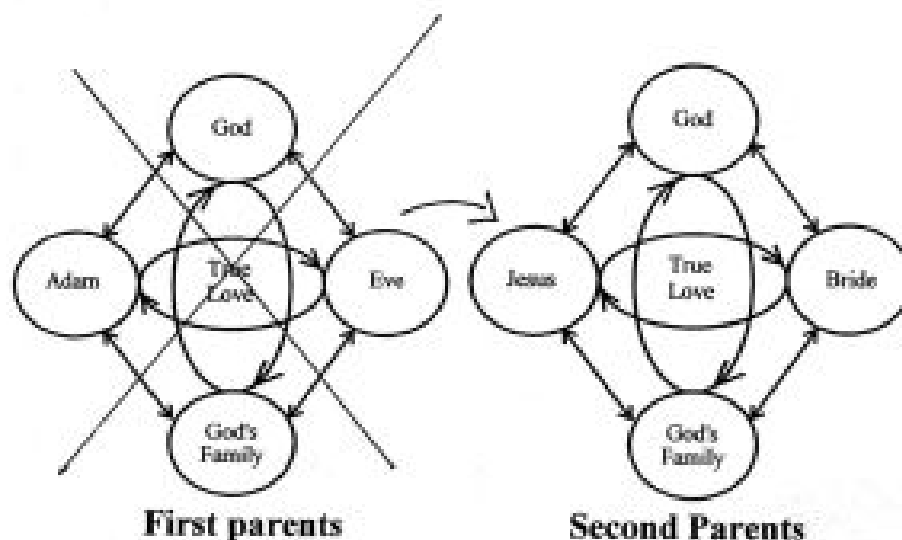

**Father's Words: “What God's hope has
been is to educate His sons and daughters
centering on true love.”**

“Let the little children come to me...
For the kingdom of heaven belongs
To such as these.”

- Matthew 19:14

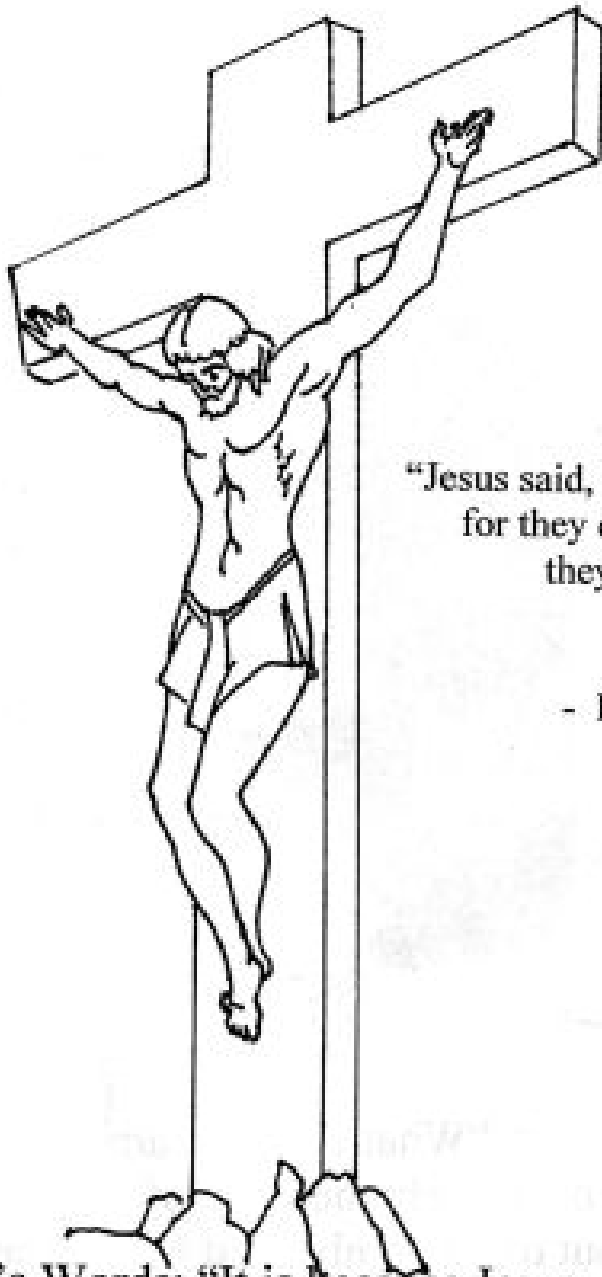

Jesus, the Second Parent

Father's Words: "Who was Jesus, and why did he come? He is the man who came with a mission to be the True Father and True Parent of everyone...In order to do this, he had to first find his bride."

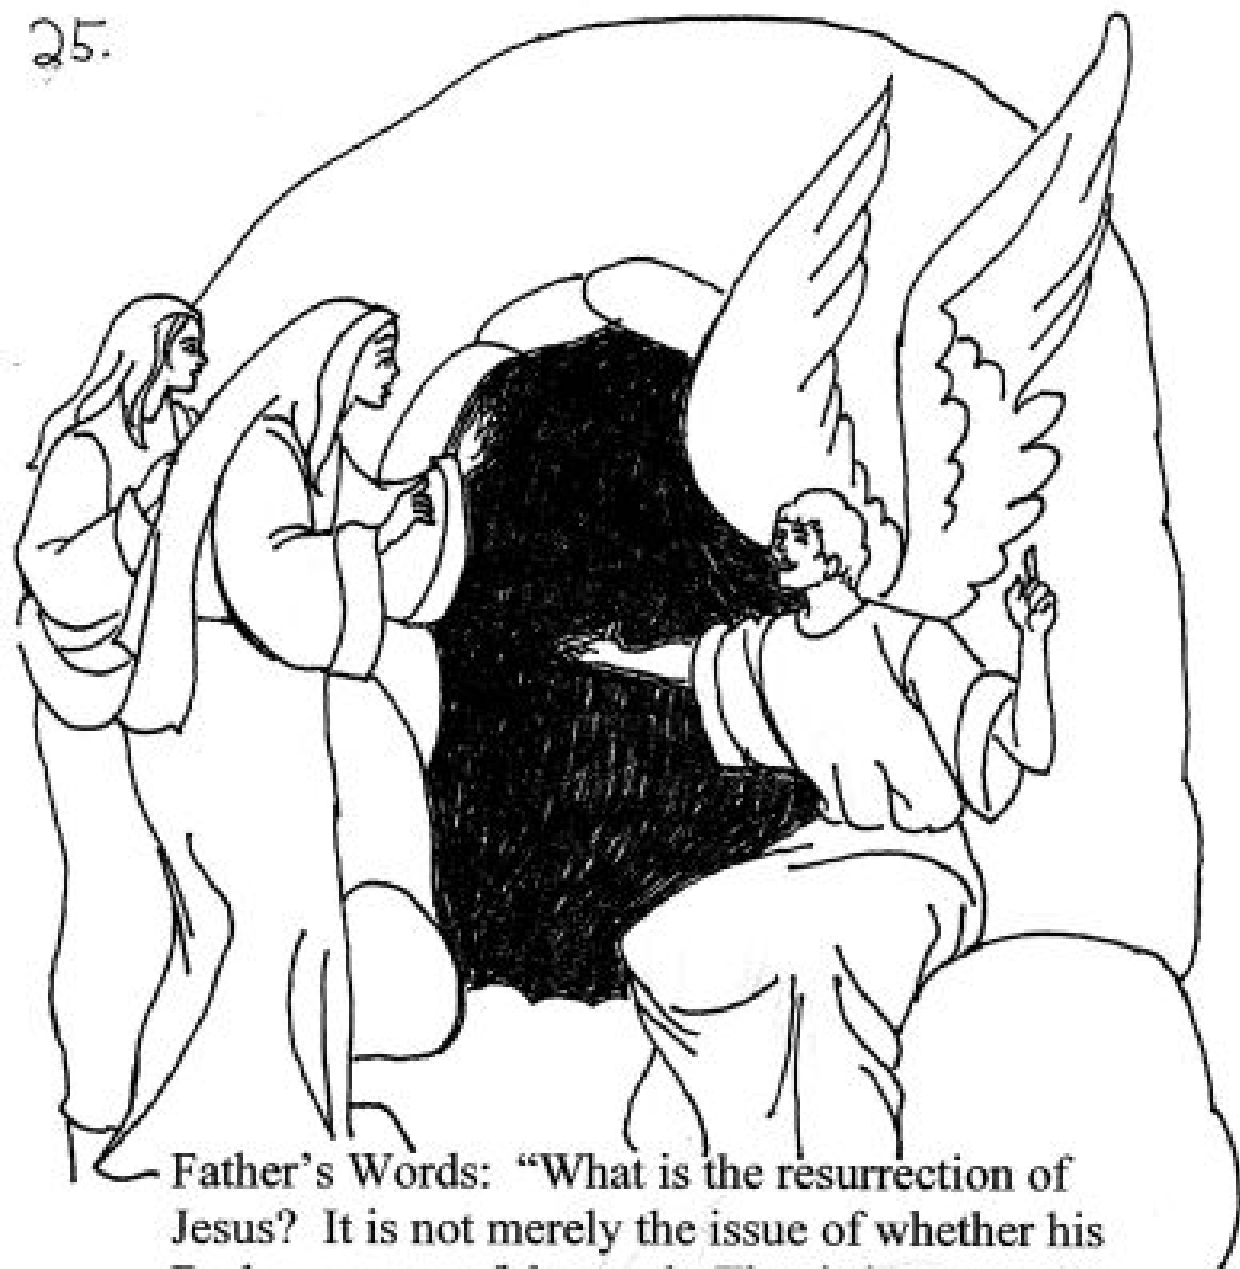

Father's Words : "When Jesus came to the earth, the fact that he could not find a true family member was his greatest sorrow and pain.

“Jesus said, Father, forgive them,
for they do not know what
they are doing.”

- Luke 23:34

**Father's Words: “It is because Jesus
overcame death with a heart of
praying for and loving his enemies
that Satan surrendered.”**

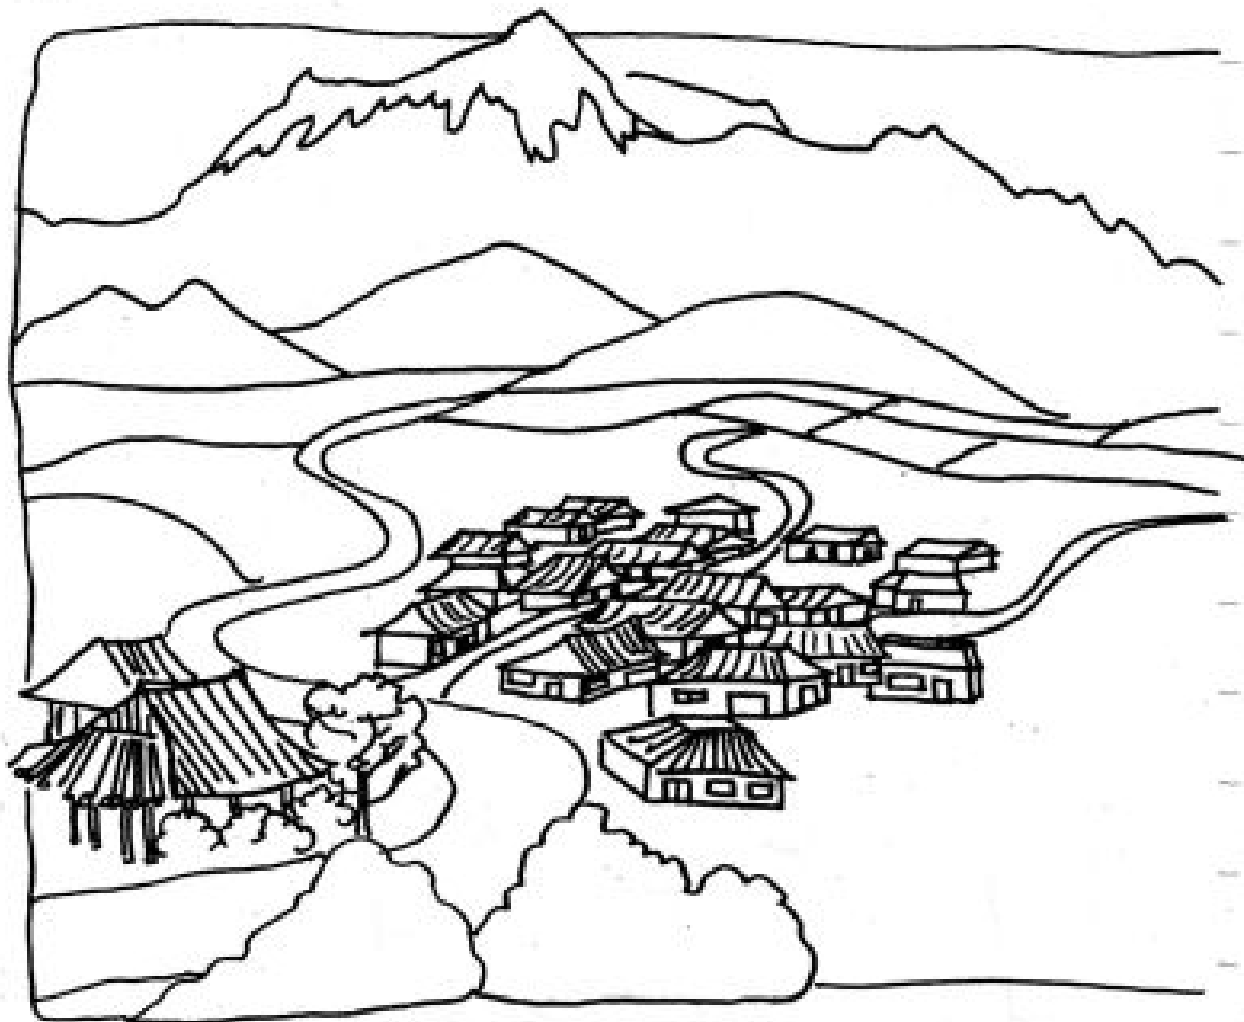

Father's Words: "What is the resurrection of Jesus? It is not merely the issue of whether his Body rose out of the tomb. That is but a small Part. The most important thing is the Resurrection of Jesus' heavenly principle and His God centered love."

Father's Words: "If you listen to the words of God...Jesus will come toward you even if you do not ask him. You should understand that the Lord is motioning with his arms spread out for you to come. God is also doing that."

Father would often go up the mountainside to pray.
When he was only 16, Jesus appeared to him,
asking him to continue God's work.

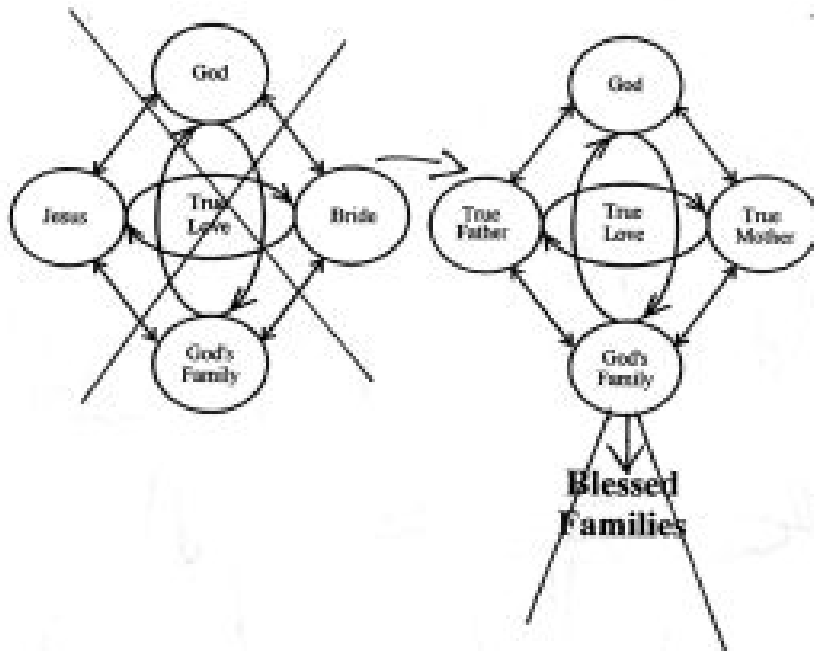

True Father's Hometown, Jeongju

God gave us one homeland. If Adam and Eve had not fallen, they would have become True Parents and our homeland have been the garden of Eden where Adam's family lived. The people who inherited the garden of Eden are our True Parents. Therefore, the birthplace of our True Parents is our hometown. That is a holy place, and our original hometown. God chose Jeongju to be this original hometown.

The Third Parents of Humankind

Father's Words: "After Jesus died on the cross without completing his mission, God promised to send the Messiah again...He will create a family of God, as the ideal of God."

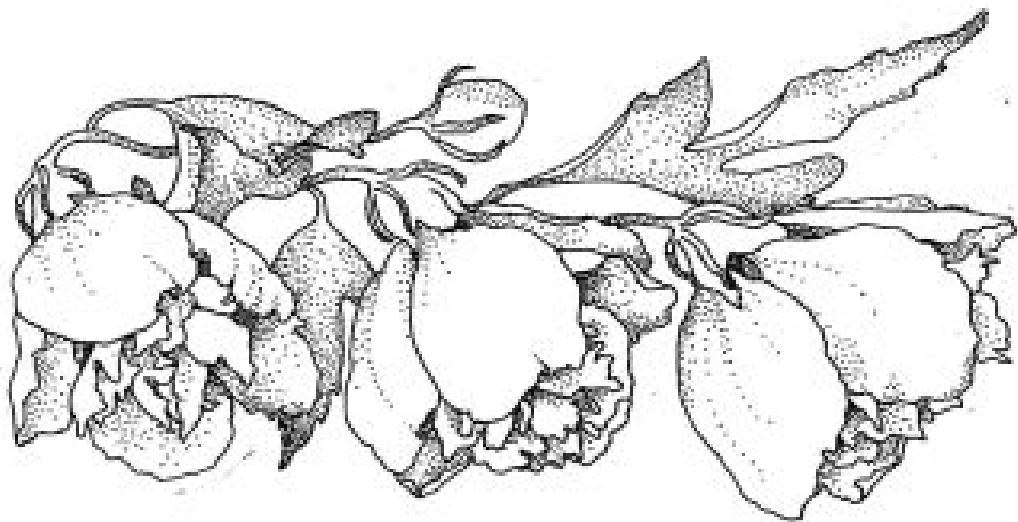

True Parents were blessed in 1960.
Here they are wearing their traditional Korean gowns.

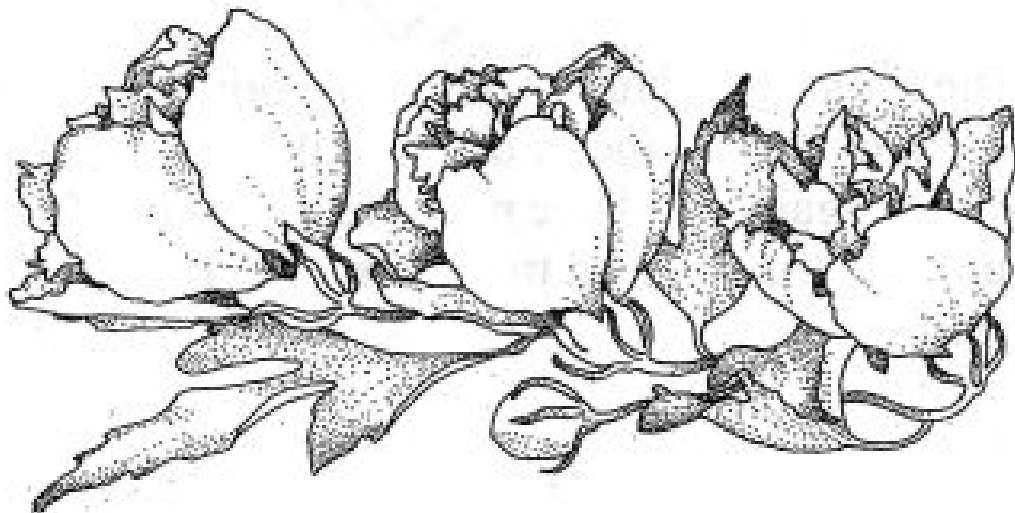

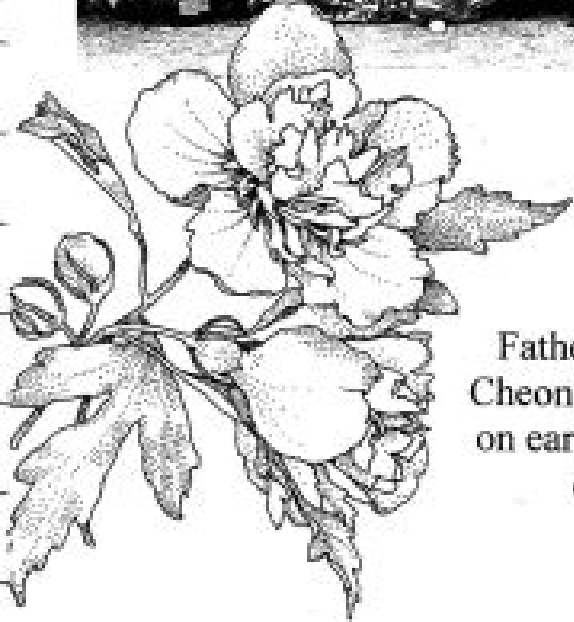

“The mission of True Parents is to bring rebirth to humankind. For humankind to be born again is to have new life with the true love, true life and true lineage of True Parents.”

CHEON IL GUK PLEDGE

1. As the owner of Cheon Il Guk, our family pledges to seek our original homeland and establish the original ideal of creation, the Kingdom of God on Earth and in Heaven, by centering on True Love.

Father's Words: "What is the meaning of Cheon Il Guk?...That is the Kingdom of God on earth. Centered on the blessed family we can build the Kingdom of God."
